

Teach Us To Pray

The Prayer Conversation Between God and Man:

1. Invitation

God invites us to pray. Remember, prayer is about God's invitation first.

2. Response:

We respond to the invitation by asking Jesus to give us (download/reveal) His heart for people, places, situations, etc.

3. Revealing:

The Holy Spirit reveals the heart of God (His character, His will, His thoughts) in accordance with the Word.

4. Pray Back

We then pray back the heart of God to Jesus, joining Him, our Great High Priest, in his intercession. Hebrews 7 and Romans 8 tell us that Jesus is at the right hand of the Father right now making intercession for us. In effect, we join in (partner with) the "ongoing/already" prayer of Jesus!

5. Empowering

The Father empowers His people, through the Spirit, to see His Kingdom come on the earth as it is in heaven!
